Our History, two revenue agents from Los Angeles planted the seed for what is now the Hispanic Internal Revenue Employees, Inc.

Our Chapter's mission is to recruit and develop all its members and provide service to our community.

Meet the Board

Chapter President: Manuel (Manny) Avitia
 Manny was elected as the Los Angeles Chapter President in 2012. Manny has been committed to serving the organization and helping it reach its goals. Manny's strategy is to develop and execute chapter events, thereby increasing membership participation and networking opportunities. In addition, Manny is currently serving as co-chair organizing the 2015 H.I.R.E. National's 25th anniversary! The conference will take place August 27 & 28, in Anaheim, California.

In 2009, Manny was sponsored to attend the Philadelphia H.I.R.E. National Training Conference. This conference not only opened Manny's eyes to the experience that he wanted but, it also inspired him to pursue a re-launch of the Los Angeles Chapter, a chapter with roots stemming to the '80's.

Manny joined the Internal Revenue Service in 2006. Manny has worked both in SB/SE and LB&I divisions in Los Angeles and Glendale, California. As a way of giving back to his community, Manny has volunteered as a tax return preparer through VITA for the past 11 years. Manny can be reached regarding H.I.R.E. matters at LAPresident@hire.org.
